

GRANDA

***Granda** An integrated community spreading out on 19 acres in the heart of Al Shourouk City. Construction ratio represents only 21.5% of the project area while the remaining 78.5% is dedicated to beautiful landscape and scenery, as well as recreational services and top notch entertainment facilities.*

GRANDA Compound combines between the brilliance of modern architecture and green landscapes where units' facades enjoy stunning views of artificial lakes that spread along the entire project.
