

THE CROWN

***The Crown** Nestled above the landmark that is Palm Hills October lies a spacious yet cozy 190 feddans of pure comfort and convenience. It is a true symbol of belonging and of a profound, groundbreaking heritage. A symbol of a long line of firmly planted roots and solid foundations. It is a declaration of pride and adoration, of achievement and support and of love and commitment. This is our crowning achievement atop the great Hills of October, the newest member to our royal family of neighboring communities. The last Gem to the crowning accomplishments along the elevated Palm Hills October. This 190 feddans, 658 villa community is designed by the renowned architect Shehab Mazhar and features undulating views with every elevation promising a scenic lavish landscape; a green staple to every Palm Hills Developments livable community. This is supported by breathing public space boasted over 80% of the terrain. 8% of the residential project is dedicated to a commercial component to facilitate ease, convenience and comfort for its residents.*
